## **WEBSITE ACCEPTABLE USE POLICY**

It might seem strange to have a policy about how to use our website but from time to time a small minority of people do attempt to do odd and unwelcome things with websites. As far as it's possible to do so, we want to prevent this from happening to ours and from affecting your experience of our site.

So, our acceptable use policy makes clear what we don't consider is fair, appropriate or lawful treatment of our site. By browsing our site, you agree to the terms of this and all our website policies - they apply to all visitors to our site however they may choose to interact with it.

If you're using our site lawfully, none of what we say below should give you any cause for concern - and it shouldn't surprise you. By ensuring we can protect our site and if necessary, being able to take prompt and robust action against unscrupulous persons, we ensure that we protect you and your experience of our site.

www.go-positive.couk is a site operated by Go Climate Positive Limited ("we"), 21 Naunton Lane Cheltenham, GL53 7BJ.

### **Interactive services**

We may from time to time provide interactive services on our site, including, without limitation, live chat and bulletin boards.

## **Suspension and termination**

Where we detect a suspected breach of this policy by you, we'll confirm in our discretion whether it is in fact a breach. If we conclude that you have breached the policy, we have the right to take whatever remedial or protective action that we reasonably consider to be appropriate.

If we believe that we have to do any of the above, we exclude liability for any of those actions taken in response to breaches of this acceptable use policy. The responses described in this policy are not limited, and we may take any other action we reasonably deem appropriate.

## **Changes to the acceptable use policy**

We may revise this acceptable use policy at any time by amending this page. Ideally, you should check this page from time to time as these changes will also be binding on you - although again, none of these changes should be worrying to you if you're acting lawfully.

You should read this policy in conjunction with the other terms and policies referred to in it.
